Casino Volunteer Guidelines

- Volunteering at the casino is easy to do. There are various shifts to be filled, approximately eight hours in length, with scheduled breaks and meals which are provided (no outside food or drinks are allowed).
- Assistance, training, and support will be provided by experienced and licensed casino advisors in the cage and count room.
- All casinos are protected by security systems and alarms. Casino staff will escort volunteers to their vehicles upon request.
- Volunteers must present photo ID when signing in and are expected to wear a name tag at all times. Dress is business casual – no jeans, sweats or shorts.

As a volunteer, you will not be allowed to play any casino game or slot machine at the casino, nor the VLT Games in the lounge on either day of our casino, whether you are on shift or not. Absolutely no alcohol consumption will be allowed during your shift. Face masks are required.
