INTRODUCTION

The purpose of this Code of Conduct is to ensure a safe and positive environment for Tennis in Alberta. It also guides the Tennis Alberta/Club relationship in a manner that will encourage the growth and development of the sport for all athletes regardless of age, gender, identity, ability or level of play. Tennis Alberta members, staff and Board of Directors, will act with honesty, integrity and openness in all their dealings.

Tennis Alberta's *Club Code of Conduct* outlines terms for both Full and Associate Member Clubs. This edition of Tennis Alberta's *Club Code of Conduct* is the first of its kind, and all rulings in this document shall be held with the highest regard and supersede any and all other policies regarding *Club Code of Conduct*.

All Tennis Alberta sanctioned tournaments are governed by the rules outlined within Tennis Alberta's *Code of Conduct*, Tennis Alberta's *Competitive Structure* documents and Tennis Canada's *Rules of the Court*. Tennis Alberta's *Code of Conduct* and *Competitive Structure* documents will supersede any other governing rules and regulations; however, if there is a gap in information regarding a specific incident in these policies, one will refer to Tennis Canada's *Rules of the Court* as a supplementary policy for *Code of Conduct* related matters

The Tennis Alberta *Club Code of Conduct* pertains to all club members who maintain their membership paying annual fees. It is the responsibility of club leadership to know and understand the terms of the *Club Code of Conduct*. Ignorance of these rules will not be an excuse for negligence and will not be appealable.

This publication includes the terms of membership, requirements to remain a member in good standing, and disciplinary procedures.
